To: Randy Schaeffer &lt;randyschaeffer@gmail.com&gt;

The Peaks Island COVID-19 Response Committee is looking for mental health practitioners interested in supporting community members. For now, your name would be on a list to discuss what contributing in this capacity would involve. We want to hear from professional counselors, clinical social workers, addictions counselors, psychiatric nurse practitioners, AA/NA/Al Anon members/leaders, and those trained in peer support.

Interested folks can contact Rafferty at 303-442-3947 or [rafferty@gmail.com](mailto:rafferty@gmail.com)
