Face Masks Distribution Keeping us Peaks Island Strong Thank You

The Peaks Island Council and the Peaks COVID 19 Response Committee thank all the volunteers who were so generous with their time and energy and made possible the recently completed Peaks Island Face Mask Distribution Project.

Over 430 cloth face masks were created and distributed, free-of-charge, to islanders between April 13 and May 20. It is indeed heartening to see how willing our community was to come together to help avoid the further spread of COVID 19. Another wonderful example of *Peaks Island Strong, through Neighbors Helping Neighbors*.

Special thanks to Fred O'Keefe for organizing and coordinating the effort.

Thanks also to the many who made masks for distribution, including:

Sarah Alechnowicz
Raven Braden-Day
Dorothy Cady
Paula Chessin
Katie Danaher
Jody Holliday
Rachael Kessler
Phyllis Maclsaac
Jesse Mantsch
Emily Magal
Jeanie Martin
Susan Merrol
Tonya Seredin
Judy Walsh
Jenn Weisner
Meredith Winn

(It worthy to note that Judy Walsh created and donated 201 masks.
Thank you Judy!)

Also, thanks to those who helped distribute the masks, including Mary

Anderson, Barbara Hoppin, Cheryl Higgins, Phyllis MacIsaac, and Kathy Newell.

And finally, thanks to Saint Christopher's Church and Maura Hurley of *Take-a-Peak* for providing the venues from which distribution took place.

Thank you all!
